

On December 15th, 2012, ICIA held a winter social gathering party at Crown Point, Johnston Community Center. There were around 90 people attended the event. Delicious home-made dishes by our members were shared at the party. On behalf of ICIA, president Bing-Bing Wang congratulated Mr. Shuku Sun for his retirement and presented a small gift to him. After dinner, the founder of community CPA, Ms. Ying Sa, gave an insightful seminar on tax. Mr. Zuo-Yu Zhao and Mr. Hugh Lu provided fascinating photo shows about their trips to Africa, Europe and Peru. Members were intrigued by both the seminar and the photo shows and they posted lots of interesting questions to gather more information. Some attendees were also play Karaoke at last. Overall it is a very pleasant evening event.
